Paso #6 – Once you have chosen an apartment you like, **PRINT THE PAGE(S)! (If you don't do this and just save the link, the next time you go on it might be gone. This is a real site with real apartments, and the owners will take them down if they rent them!)**

Paso #7 – Answer the accompanying questions about the apartment you have chosen. Use the vocabulary given to you and your L12 vocabulary list from class.

Paso #8 – Using the questions, you will write a composition to whomever you choose describing your new apartment. The composition will NOT receive a high mark if you just copy and paste the answers from the questions. You need to add transitions, questions, and greeting and farewell statements.

YOU WILL HAND IN THE FOLLOWING:

- 1) Planning/Question page with answers written in COMPLETE SENTENCES
- 2) Composition with pictures of your apartment
